I am spending the summer living at Lake Tahoe with my parents who live in Incline. I work as a cashier when needed, assist with incoming inventory deliveries, stock the inventory, help customers find what they are looking for, and assist with carry-outs if needed as well. I also build and help deliver grills and furniture we sell.

Land Rover Reno / Parts Porter

I worked Part-Time at Land Rover gassing up cars, delivering parts to different customers around town, washing cars, maintaining the lot, checking in and stocking inventory for parts.

Bobos Ski-Board and Patio / Snowboard Salesman

October 2023 - February 2024, Reno NV

At Bobos, my job was to take care of customers' needs. From fitting boots, to fixing broken bindings, to selling the boards and bindings. I also answer questions over the phone if need be. Learning about people, their needs, and what they want. Building a relationship and environment so they want to come back.

Richmond Brothers, Inc. / Intern

May 2022 - August 2022 and May 2023 - August 2023, Jackson MI

I learned about the financial world working beside a few CFP's who opened the world of Wealth Management and Retirement Planning for me. From being in meetings with clients, to creating the paperwork for clients, to marketing and human resources work, I learned what it looks like in a sliver of the financial world. I also spent time as the receptionist, or Director of First Impressions as we call it.

Jim Winter Cadillac / Intern

At Jim Winter I managed the inventory of cars, helped pick the cars bought from auctions. I marketed the cars to potential customers, as well as handling the listings of the cars online. Washed and detailed cars as needed.
